Bulletin No. 18

Friday 14th June, 2019

Dear Families and Friends,

St Justin's Professional Learning Days, 11th and 12th June

This week we had the privilege of spending time together as a staff to reflect on our work together as a team. Over the past few months, our leadership team has attended various regional learning days around the work of Dr Lyn Sharratt (Associate, Ontario Institute for Studies in Education, University of Toronto). This week we were able to synthesize this learning and present it to our staff team.

Lyn Sharratt's work delves deeply into the research about collaborative cultures and the benefits they have shown to outcomes for students. As a staff we examined what we can do to tighten our working culture and how a deeper emphasis on student data can assist us in further refining student instruction for students at all levels and stages of development. We investigated how holding data-rich conversations and engaging in professional learning about specific approaches can benefit our own professional practice and, in turn, student outcomes.

We took time to review specific data in the area of Mathematics and also continued our professional learning into the implementation of this curriculum area. We reviewed current practice in this area across all year levels and highlighted the elements of a Numeracy session which current research indicates supports the most comprehensive learning. As we move forward, we will continue to discuss and refine these strategies and spend time mentoring each other in specific characteristics of the Numeracy learning block.

BOOK FAIR 2019

*This year's annual Book Fair will take place on **Thursday 20th June – the day of the Parent / Teacher Interviews**. The funds raised from the Book Fair go towards new books for our library.*

The children will have an opportunity to look at and discuss the books in their library session.

From this session they will bring home a 'wish list'. Please discuss the books on their list with your child and decide together what is most appropriate for your child. The wish list is only a 'suggested list' and the choice is yours.

We will be selling books from 1:00pm when the children finish school, until 8:00pm. Please note that the library gets VERY congested at 1:00pm! We'd really appreciate no prams / pushers at this time.

We encourage the children to come and make their purchases at their parent / teacher interview time.

You are most welcome to come with your child or send the money along with them.

If you have any queries please contact us in the library.

Thank you

Mrs Melenhorst and the library team

St Justin's Parish School, Wheelers Hill

Preparations are already well in hand for our school fair. Thanks for those who were able to attend our meeting last night – greatly appreciated.

External Stalls

The committee is currently looking for external stall holders for this year's fair and are trying to target stalls that will be selling goods rather than services. For example – Arty crafty goods, jewellery, cards, books etc.

This year there will be no charge for external stall holders to have a stall at the fair, however a donation would be gratefully appreciated, for example 10% of taking. For further information, please contact the Fair Committee on stjustinsfair@gmail.com. Hopefully through everybody's own networks (e.g. parents, grandparents, friends, colleagues etc.) there can be some interest gained for new stalls. Remember the fair is a success when people get involved and contribute.

Volunteers

Also this year we will be introducing an online volunteer rostering system (similar to like when parents were needing to register to help with swimming) which will be up and running around September, watch this space!

Sponsorship

We are putting another call out for any potential sponsors of our Fair on the Hill. Details are attached and we encourage any families and/or friends to consider – all contributions are greatly appreciated. Please note that to ensure that all sponsorship details are included, we need sponsors confirmed by the 1st September – see over leaf for more details.

If you have any questions regarding stalls, feel free to contact My Torpey. Fr. Andrew, Paul Kelly or Chris Brodie, or email Tania Wilmann, the Fair Committee Secretary, at stjustinsfair@gmail.com

Woolworths Earn & Learn 2019

Woolworths Earn & Learn is coming back to your local store.

A single sticker will be given to a customer with every \$10 spent in a single transaction at Woolworths Supermarkets, Woolworths Metro and Woolworths Online.

We are not necessarily promoting people having to shop at Woolworths, but if you do we'd appreciate your support. In 2017, St Justin's families collected Woolworths Earn and Learn stickers. We were very fortunate to earn quite a substantial amount of points. With our points the school was able to redeem various items.

Let's stick together and make this one the biggest yet!

There has been a huge amount of stickers coming in and being donated at stores which has been great! If you happen to notice a St Justin's bin at your local Woolworths please email the P&F at pnf@sjwheelershill.catholic.edu.au we've been pleasantly surprised to hear that St Justin's bins are popping up all over our local communities!

Please keep bringin your stickers in or putting them in the bin at the store if you happen to be shopping at your local Woolworths. Just a reminder that there are sticker sheets that are available at the front desks of each Woolworths for the stickers to go on if people are able to, it makes things a bit easier at the other end.
