Bulletin No. 7

Friday 15th March 2019

Dear Families and Friends,

Catholic Education Week

This week we celebrated Catholic Education Week with the theme "Growing Young in Christ." Catholic Education Week is an opportunity for all Catholic schools in the Archdiocese of Melbourne to celebrate their Catholic identity, the pivotal role they play within their local community and the strength of the sector. Whilst many might argue that in the last few weeks, we haven't had much to celebrate, it's important to remember that there are many amazing things happening not only around the world, but right here in our own community. As a Principal in a Catholic school, I'm fortunate to see it every day through the work and contributions made by Fr Andrew, staff, parents and students - there are many examples of faith filled people at work in our community.

Yesterday I read of a former colleague of mine, a young women who had recently travelled to Uganda to work in a children's orphanage. Teaching Prep, her classroom consisted of nothing more than a chalkboard. Keen to help, she has been working with the local community who have set up a fundraiser, not for computers, books or playgrounds, but for drop toilets and a washroom that the school so urgently needs to prevent the spread of illness and disease.

Whilst we can't all run off overseas to help those in need, Catholic Education Week and Lent can be a time when we all reflect on who we are and why we do what we do. Each morning our Liturgy Leaders have joined each of the classrooms during their morning prayer to lead different prayer experiences. The students participated in prayer using Christian Meditation and Project Compassion stories. Each of these sessions had the message of how can bring hope to others - a wonderful example of faith filled people in our community.

Project Compassion is Caritas Australia's annual Lenten fundraising and awareness-raising appeal. Millions of Australians come together in solidarity with the world's poor to help end poverty, promote justice and uphold dignity.

Today some of our School Leaders attended the annual St Patrick's Day Mass and Concert for schools in the Archdiocese of Melbourne.

Important dates ahead:

- *Saturday 16th March, 1:30 pm – 4:30 pm - St Justin's Working Bee*
- *Monday 18th March, School Photos*

School Photos

Just a reminder that school photos will be on **Monday March 18th**. Please ensure that your child is in correct summer school uniform. They must wear black school shoes and have the correct colour hair ties - sky blue or maroon. Please ensure that long hair is tied up. As always, we thank you for ensuring that your child is dressed smartly in their correct school uniform – it's a wonderful outward sign that says "I belong".

Information regarding school photos was sent home with your child last week. Sibling order forms are available at the office.

Book Club

Issue 2 of Scholastic Book Club has now been sent home. All purchases earn 20% back in Scholastic rewards for our school. Orders must be in by **Friday 22nd March**. The preferred payment method is via **LOOP (Linked Online Ordering & Payment System)** which means there is no need to return anything back to the school. If you are paying by cheque, please make sure your child's name and class are clearly marked on the order form and return to the office via your child's class bucket. **CASH PAYMENTS WILL NOT BE ACCEPTED.**

Year 3-6 Cross Country

On Wednesday we conducted our annual Cross Country Championships. As always, the challenge is not to win, but to participate. Often children can have it in their own mind that there is no point, I won't win – sometimes the results can be surprising. It is wonderful to see those students who give it their all, knowing full well that this is not their favourite thing. It's also pleasing to see those who would rather walk but yet keep going, pushing all the way to the end. The effort between first and last is the same.

News from the Sustainability Team

Marine Ambassadors

Paige, Emilia, Anthony and Zara had a wonderful day out today in Sorrento with the Moonraker boat charter and representatives from the Dolphin Research Institute. The weather was just beautiful and the water was so calm and blue. The children had two swimming opportunities, one at Chinaman's Hat swimming with the seals and the other closer to shore looking for and finding the Weedy Sea Dragon. Whilst they saw some dolphins frolicking in the bay, they didn't see any while they were swimming, and that's ok because that's their choice.

The four Marine Ambassadors are now preparing a presentation to share their knowledge and experiences and encourage all students to be aware of issues concerning our marine environment. As you can tell from the photos we are blessed to have beautiful oceans, and amazing marine life - but it is our shared responsibility to make sure we look after it.

Enjoy...
