Bulletin No 8

Friday 19th March 2021

Dear Families and Friends,

Reconciliation

Next week our Year 3 students will receive the Sacrament of Reconciliation for the first time. This is a very special time in the children's lives and we ask that you keep them in your prayers. We thank the parents of these children who have prepared them at home and supported the work done at school by the teachers. Reconciliation will be held on Tuesday March 23rd at 7.00pm for Year 3W and Thursday March 25th at 7.00pm for Year 3SS. Adults are reminded that they need to wear a mask.

As we continue on our Lenten Journey. . .

Life can be a difficult ride, and each of us at times will know the pain, trouble, loneliness and struggle. That's why it is important for us to practise love and kindness. But when we are going through our own difficulties, when we are tired or feeling taken for granted, we might wonder what's the point?

What's the point of being kind? What's the point of continuing to be caring, helpful and polite? Have you noticed that emotional states are contagious? Hang around an angry person long enough and some of that will rub off on you. The same goes for depression. Uncaring acts beget more. Selfishness breeds isolation, disrespect, contempt and ugliness. Just as negative emotions have a negative impact in our lives, our emotional state and our thoughts travel from us like ripples on a pond. They radiate energy that affects everything and everyone around us. Eventually some of that energy will be reflected back to us, perhaps weaker, perhaps greatly magnified...

Therefore . . .

- Be kind to one another, tender-hearted, forgiving one another, as God in Christ forgave you. (Ephesians 4:32)
- Open your mouth with wisdom, and the teaching of kindness is on your tongue. (Adapted from Proverbs 31:26)
- Let us do good to everyone. (Galatians 6:10)
- Put on love, which binds everything together in perfect harmony. (Colossians 3:14)
- Let us not love in word or talk but in deed and in truth. (1 John 3:18)
- Do not grow weary in good. (2 Thessalonians 3:13)
- Rejoice with those who rejoice, weep with those who weep. (Romans 12:15)
- Bear one another's burdens, and so fulfil the law of Christ. (Galatians 6:2)

School Photos

Just a reminder that school photos will be taken on **Thursday March 25th**. As always, please ensure that your child is in correct summer school uniform, wearing clean, black school shoes. Long hair should be tied up, using sky blue or maroon hair ties. Smiles are essential. Information specific to school photos has been sent home already. Students who have PE on Thursday may bring runners for their lesson but must wear their usual summer uniform.

****Please note: SIBLING PHOTOS MUST BE ORDERED PRIOR TO THE DAY**

Working Bee – Saturday 13th March

Our first Working Bee was held last Saturday and despite heavy rain, much was achieved. A huge thank you to all the families who were able to attend – we greatly appreciate your assistance in keeping our school looking immaculate. Our school was really well presented for Open Day and we received plenty of positive feedback on the presentation of our school.

Open Day

Yesterday we held our first official Open Day for 2021. We had a number of visitors to our school, many for the very first time. Whilst we had many compliments on our beautifully presented grounds, our amazing outdoor kitchen and our fantastic learning spaces, everyone commented that the school has a "lovely feel". This "feel" cannot be created by "bricks and mortar" but by the proud, caring people who help make our wonderful community. Thank you to all who help create the "lovely feel" - this is not something that you can just create for one day, but is a feeling created over time by people who genuinely care for each other.

A special thank you to the parents who helped in the registration tent, the Year 6s who so competently conducted tours of our school and to all staff and students who so willingly and proudly welcomed many visitors into our learning spaces.

Drop off and pick up

In the morning, there are two teachers on yard duty in the school grounds from 8:40am. If you wish to drop your child off before 8:40 am, please use the Before School Care service provided by Camp Australia - we would hate for your child to arrive at school and no-one be here to care for them. Whilst there is usually someone here around 8:00am, it's important to remember that staff are busy preparing for the day ahead or involved in meetings.

After school, a teacher is on playground duty until 3:45 pm. After this time students who are yet to be picked up will be taken to the office. We will attempt to ring their parents to make sure everything is ok. If, for any reason, you are running late, just give the office a ring and let us know.

Please note that students should not be dropped off or picked up in the staff carpark. In the morning and at the end of the day, the car park becomes a busy place with people walking in all directions.

After observing the 3:30 pm traffic in Grantchester Road, a few important reminders:

- Please observe the 2 minute parking bay. If waiting in this bay, drivers cannot leave their car.

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

- *If waiting for a parking space, please never call your child to the middle of the road. It would be far safer to drive around the block and wait for a parking space rather than wait in the middle of the road.*
- *Please minimise the space between cars – often we could park more cars if we parked a little closer to each other.*
- *Never park in the driveways or on the nature strips of our neighbours – this can restrict the view of pedestrians and other road users. It's also very disrespectful.*
- *Stay calm and be patient – there are often many parks available after 5 minutes – a short wait in comparison to the waiting room at Monash Hospital.*

Whilst these reminders are important to the safety of all concerned, they are the law. I ask that you all follow the rules and remain patient – everyone's safety is important. After five years, I've never seen anyone get frustrated by someone doing the right thing.

Cumberland View

On Wednesday, Grade 5SS visited Cumberland View to celebrate a liturgy with Fr Andrew and the residents. The students sang 3 songs and made St Patricks Day cards for the residents. The residents and students were absolutely delighted to spend some time with each other.

Professional Photographer

On Wednesday we engaged the services of professional photographers to help update our website. Tserlin and Mark (who had both been involved in developing our existing website), spent the day with us, trying to capture all that St Justin's has to offer – not an easy task by any means. Before arriving, they asked us to identify the top 5 Points of Difference - our response included:

- 1. Faithfulness*
- 2. A caring and nurturing community*
- 3. Dedicated and supportive staff*
- 4. Various extra-curricular activities*
- 5. Beautiful grounds and facilities*

Throughout the day, it was nice to hear from Tserlin that we had been “spot on” with our 5 points of difference – they were clearly obvious. Mark and Tserlin also commented on how beautifully well-mannered the students were and that it had been a pleasure to spend another day with everyone at St Justin's. Our website will be updated in the near future.

Harmony Day

Next Monday 22nd March, our school will celebrate Harmony Day. On this day we focus on cultural diversity in our school, in our community, in our country. We think about and reflect on society values in order to help all students understand the need for this in order for a community to operate effectively and with compassion. These values reflect our Gospel values as well as our Values Education program at St Justin's so Harmony Day really enriches what we teach at St Justin's all year round. The students will all be engaged in mixed age groups throughout the morning. Look out for photos in next week's newsletter. Students are able to wear a touch of orange on the day.

All Children Can Achieve Success

Way of the cross

After our Harmony Day activities on Monday morning, all the students will then pray together the Way of the Cross. Our Year 6 students will lead us in this prayer, where we recall the Stations of the Cross, Jesus' journey to the cross on his last day. Whilst we recognise the sadness of this day (Good Friday) we also show our gratitude for Jesus' amazing sacrifice for us all on this day. We pray for forgiveness and for the courage to say sorry to others when we have made the wrong choices.

Easter Egg Raffle

It's time to celebrate the children's favourite fund raiser, The Easter Raffle. The Easter Raffle will take place on Friday April 1st at 12:00 pm in the PAC. Please purchase your raffle tickets if you haven't already, to be in the draw!

Book Club

Issue 2 of Scholastic Book Club for 2021 has been distributed via the class buckets.

Every order earns FREE books and learning resources for our school!

All orders can only be made online via LOOP

– [scholastic.com.au/LOOP](https://www.scholastic.com.au/LOOP) or download the LOOP app.

NO CASH/CHEQUE PAYMENTS WILL BE ACCEPTED.

The closing date for orders is Friday 19th March.

Swimming Program Years Prep - 4

The Swimming program for St Justin's commences on Monday 19th April, the first day of term 2, and will run until Friday 30th April. Letters have been sent to all families through Operoo for permissions and also with regard to what students will need for the program. **Please ensure you have signed off on this permission before the last day of this term.**

Due to some COVID restrictions still in place at Swimming Pools, this year we are unable to have parents attend the pool as spectators. However we welcome parent helpers to assist with our Junior classes. We will be able to take 1-2 parents per class, although you will be required to make your own way to Swimworld and meet the bus there. All helpers **MUST** have a valid Working With Children Check as well as have completed a Child Safety interview with either Patrick Torpey or Annie Herbison in the last 2 years.

All parent helpers are asked to attend a briefing session (approx 30 minutes) on one of the following dates:

- **Wednesday 24th March, 9.30am**
- **Monday 29th March, 2.30pm**

All Children Can Achieve Success

St Justin's Parish School, Wheelers Hill

These will be conducted via zoom and the link will be emailed to you once you have indicated your preference. If you are unable to attend either of these sessions, Annie will contact you to make alternative arrangements.

If you are interested in being a parent helper, please email Annie Herbison at aherbison@sjwheelershill.catholic.edu.au at your earliest convenience and indicate which briefing session you will be able to attend.

Emotions are a funny thing - some of us are really good at acknowledging and explaining how we are feeling, others are really great at keeping these feelings in check and being able to act in ways that are appropriate for the situations we are faced with. Sometimes though, feelings can sneak up and catch you unaware and off guard - we have big reactions that aren't always fitting or suitable for the situations we are in.

This is a space our kids find themselves in often - they are in the process of learning to identify all the emotions we can feel, what triggers these emotions in them and how they react when these feelings appear. This is a huge learning experience, one that we continue into our adult lives, and it's important for us to remember that children need our help, guidance and expertise in this area to help them navigate the tidal wave of emotions they will encounter.

The skills used to identify and manage our emotions are collectively known as Emotional Intelligence - it takes time and practise to recognise and manage these skills. Helping our children develop their emotional intelligence involves:

All Children Can Achieve Success

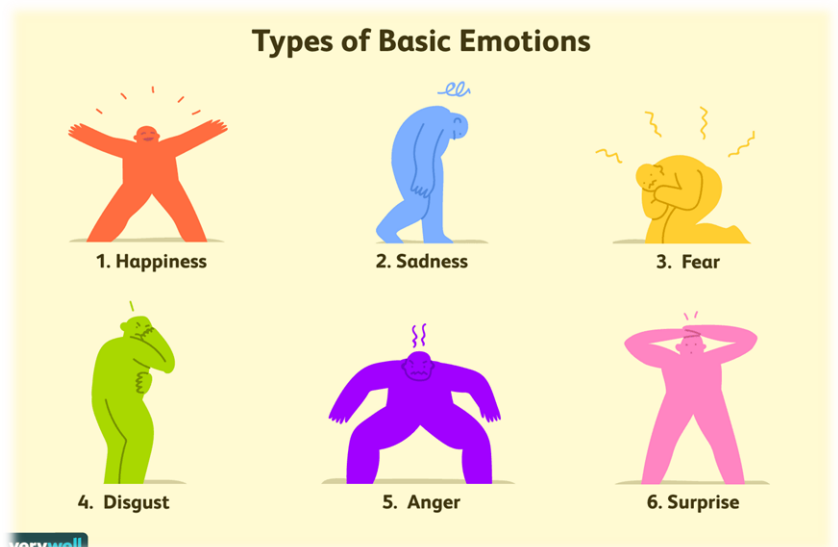

St Justin's Parish School, Wheelers Hill

- Developing their emotional awareness - being able to notice and identify the emotions they are feeling. Naming the emotion is sometimes enough to help children (and adults) feel more in charge of their emotions.
- Understanding and accepting emotions - knowing why we feel the way we do. Modelling the language we use as we work to accept and understand our own emotions is a fabulous way to model how they can in turn develop this skill. For example, "I feel left out and a little unsure when my friends are playing a game on the playground and they didn't ask me to join in," Identifying the feelings and why they are present is a great starting point for a deeper conversation around the issues our children are facing.
- Accepting our emotions means noticing, identifying and understanding these emotions without blaming others or judging ourselves for how we are feeling. This is such an important part of building emotional intelligence - we want our children to feel safe and secure in their environment so they will share their feelings with us and know that how they are feeling is OK, there is no shame in not feeling great.

As we move towards the end of a very busy Term 1, it is to be expected that children might display some big emotions that they are struggling to manage - returning to school after the upheaval of 2020 has been a difficult adjustment for all and our children (and parents and teachers) are tired.

Below is a link to some wonderful activities that you might do at home with your child to encourage them to identify their feelings and focus on those things that make them feel good - so when they are having those 'big feels' days, they have some strategies in place to help them regulate those emotions.

Sustainability Leaders

The Sustainability Leaders - Kaitlyn, Sabina, Drishti, Michael and Carl met at lunchtime today to discuss how our school and community might acknowledge Earth Hour 2021. Next Saturday 27 March we are encouraged to switch off for an hour to contribute to saving energy for a better, healthier planet. Our Sustainability Leaders will address the school community next Thursday at Assembly to share how we as a school and how we at home can participate in this initiative.

Today, our school Open Day, the Sustainability Leaders, with a couple of helpers, prepared some delicious chocolate cake and zucchini slice for our visitors to the school. They did a great job and willingly obliged to sample the slices before presenting to others!!

Kitchen Garden

The year 4s are halfway through their kitchen garden experience. Our focus this term has been to make food, prepare produce and craft to 'sell' at market to our year 4 parents. We will be inviting our year 4 parents/carers to come to school on the last Tuesday of term at 3:00pm to showcase our market and 'buy' our produce with a gold coin donation. An invitation will follow soon.

Yr 4 Stewardship Program

This program has been running on Thursdays all term with a great group of students ready to answer the call of stewardship to care for our school environment and consider improvements for the benefit of all.

Chickens

Finally, the news you have all been waiting for - our chickens have arrived!!! We are very excited to have these new additions to our school, and look forward to learning from them, with them and about them. We have already named one of the chickens 'Hester' after the people who provided us with them, John and Joan Hester from KooWeeRup, friends of year 5 teacher Mrs Slonim. We will no doubt be having many discussions with many ideas on names for the rest - stay tuned.

Wildlife Warriors

Mr Johnson and the year 5 students found a distressed and injured pigeon on the back oval during their PE lesson on Thursday. With care and compassion two of the students carefully carried the bird from the oval and placed it in a box. Together the girls searched for what to do in such a situation. We contacted Wildlife Victoria and managed to find a local volunteer who deals with injured wildlife. Ms Interligi dropped off the bird after school. It is nice to know we have such caring and interested people in our community who work together to care for our wildlife. Good job everyone involved.

Skoolbag - Smart Phone App

Members of our school community are invited to download our Smart Phone App. The App is used for communication between school and home – it is a portal for notifying absences, newsletters, notices and messages relevant to members of our school community.

To download the app simply search for *St Justins Catholic School, Wheelers Hills* in the App store on your iPhone, Smartphone or iPad.

St Justin's Fair on the Hill **Saturday 6th November, 2021**

We are excited to announce that the St Justin's 'Fair on the Hill' is back for 2021!

While it may look a little different to previous years, there will still be plenty of fun activities and entertainment for the whole family. Live performances, rides, stalls, food and more are planned at this stage, with more details to follow as we engage further with the school community.

Please get in touch if you would like to be involved on the committee or volunteer on the day, all are welcome!

And we know it has been a difficult year for businesses, so we are keen to support our wonderful sponsors (current or new) throughout the year and on the day.

Here's looking forward to bringing families and the community together for what will be a great day, save the date!

Volunteering at St Justin's

St Justin's Primary School seeks to provide a safe, open and nurturing learning environment for all students. The school acknowledges the value that volunteers play in a variety of learning, school based and community activities and actively encourages their participation.

To ensure the safety and wellbeing and protection of all students, St Justin's Parish Primary School, ensures that all of our policies and practices embed a child-safe culture that has zero tolerance for child abuse. Our recruitment, screening, induction, ongoing monitoring and assessment for volunteers align with our Child Safety Policy and our Child Safety Code of Conduct and adhere to the requirements of Clause 10 of Ministerial Order No. 870 (Volunteers).

St Justin's Primary School takes its commitment to maintaining a 'child safe' environment for all students and young people seriously and implores that all members of the school community, including volunteers, work with us to achieve this.

A volunteer is defined as any unpaid individual who provides support in educational, sporting, extra curricula or school community activities to the school. Their assistance is provided under the direction and supervision of identified school representatives.

Any parent who wishes to volunteer their services to the school must ensure they participate in the school's volunteer screening and induction procedures.

All volunteers must:

- *Provide evidence (driver's license/Medicare card/passport) of personal identity*
- *Provide a valid Working with Children Check (WWCC)*
- *Respond to Volunteer Application questions*
- *Complete two Referee Reports for Volunteers that affirm that volunteer's suitability for working with children*
- *Meet with the Principal and/or Deputy Principal as part of our regular interview process. A Record of Interview will be completed at this time.*

If you require an interview, please ring the office on 9561 7644 to make an appointment.

THANK YOU!!

OPEN DAY

Big thanks to Peter Romano for organising all the amazing helpers for St Justin's Open Day on Thursday.

Bianca, Annick, Alice, Naf, Rita, Georgia, Briony, Mirna, Amiria and Nelly - thank you for creating that welcoming atmosphere for all those prospective families. Always good when we can live up to the expectations that those families have of our amazing school.

WORKING BEE

Big thanks also to Tony Di Iorio for another successful working bee. All those families who came along to work in the lovely Melbourne weather can be very proud of their work and the results were greatly appreciated. An impressive group that were still smiling and chatting away, even when soaked to the skin and being asked to shovel another pile of mulch!!
